

Summer Cruising Rally #4- Waiheke -Bottom End & Rally #3- Departing Waiheke Channel, Shark Bay

Friday 25th February 2022 & Sunday 27th February 2022

WOW at MOW Vineyard

A great weekend was had by all, even the weather behaved itself and Covid was nowhere to be seen. A number of boats raced down to Orapiu wharf on Friday afternoon with the rest of the fleet joining us on Saturday at Man O War vineyard for an amazing time with wine tasting hosted by Lea and the luncheon out of their restaurant could not be better along with the great company of the BBYC members. We would like to thank Madison & Lea of MOW vineyard for their fantastic hospitality and the spot prizes of 6 bottles of wine and also PredictWind for their financial contribution to our lovely lunch.

Yet again the cruising boats have been spoilt by Half Moon Bay Electrical (Simon & his team) putting on a fantastic barbeque at Te Kawau Bay over at Pounui Island on Saturday evening. Many thanks Simon it was great to have you and your team join us. Along with the barbeque there was also spot prizes which did include the Soggy sock award. If you wish to know the recipient of the soggy sock award you will need to join us at the Easter Rally (the last of this seasons cruising events for summer 2022).
