E Stello - Summer Cruising
Rally #2 - Last Friday 28th January 2022

Unfortunately due to Covid-19 and the Omicron outbreak the Auckland Anniversary weekend cruising race to Mahurangi was changed to course 6 - Rocky Bay Waiheke.

The race to Rocky Bay was an enjoyable race for the five boats that competed. With the addition of another four boats that sailed down on the Saturday, one of these four boats being the Commodore in her newly purchased Townson called Moonlight Lady.

It was also the first time the new barbeque was used that was donated to the Cruising Division by the trades and services that operate from out of the hardstand at Half Moon Bay which Jamie Truscott was instrumental in organising. A BIG HEARTY thank you to those that donated and to Jamie. As always a very BIG THANK YOU to our sponsor of this event e-stello Solar lighting.

The barbeque and prize giving on the beach was a great success as per the photos and everyone was in great spirits to see each other after such a long break from cruising.

Results:

- Line – Trilogy
- 1st on handicap – Trilogy
- 2nd Zen
- 3rd Einstein
- 4th Julia
- 5th Tipi Moana

We are looking forward to the next cruising event in two week's time - destination to be advised.

Many Thanks, Mel and Dave
